Technology Workshop Session Description

Session Title: Moving Forward with Technology in the Activity Department

Session Description: In this session Bryan will be giving an overview of how to use technology to peak the interests of not only younger populations but older ones as well that resides in healthcare settings. Through this hands on session, participants will be utilizing the Apple IPAD/IPOD Touch, Nintendo Wii, Xbox Kinect, Skype, Facebook and ROKU to get a better understanding of the therapeutic benefit each of these have.

Please bring laptops with you an internet connection will be available.

Be happy for this moment. This Moment is your life!
Bryan Rife, ADC
